SUBJECT	Admiral Inman Resigns		

DIANE SAWYER: Administration officials say the President will promote the number three man at the CIA, John McMahon, to the number two job being vacated by Admiral Bobby Inman. McMahon has been with the CIA for more than 30 years. And members of the Senate Intelligence Committee, which would vote on confirmation of McMahon as Deputy CIA Director, say that he's a pro and that his appointment would somewhat ease their concerns over Inman's departure.
